

YOUR PUZZLE PIECE MATTERS™ FAMILY PUZZLE

Each person in your family is unique, valued & loved! As a family, create a puzzle by having each family member decorate their own puzzle piece.

1. Print out a puzzle piece for each person in your family.
2. Have each family member decorate their own puzzle piece in their own unique way.
3. Cut out each puzzle piece.
4. Find a wall in your house and put your puzzle together!
5. Notice the puzzle doesn't have smooth edges. You can choose to add on to your puzzle and create more puzzle pieces for other people who are a valued part of your family's puzzle!
